

University of Birmingham College of Social Sciences & Citizens UK Birmingham  
present a programme of events exploring

## UNIVERSAL BASIC INCOME

with Professor Guy Standing

Universal Basic Income is a radical response to an age of deepening economic and social insecurity and accelerating technological change. Just a few years ago, an unconditional basic income was considered a pipe dream. Today, it is widely regarded as 'an idea whose time has come' with intense discussions taking place across political and social camps.

Date & Time	Event	Details	Venue
Weds 25 <sup>th</sup> April 14:00 to 16:00	Film Showing of 'Free Lunch Society'	The film provides background information about Universal Basic Income and searches for explanations, possibilities and experiences regarding its implementation.
